Land Rover Series 3 109 SW Soft Top FULL ELECTRICLR109

£79,500 + VAT

Engine:	**0.0 Electric**	Age:	**1974 / M Plate**
Transmission:	**Manual**	Colour:	**Green**
Mileage:	**34000 miles**	Body:	**5 door Four Wheel Drive**

Grey and Black interior, Picture used is a library picture of what the vehicle will look like. We are currently building the vehicle onto a Galvanised chassis with a Full Soft top in Sand. This 5 door station wagon will seat 9 people and will be fully electric.
The vehicle is a chassis up build and parts are all painted and then assembled. This would be great for an Eco Estate or for any City restricted by emission.

Electric installation is Dutch.
100 mile range
Heritage Green
Galvanised chassis
5 upgraded doors
Upgraded springs and shocks
Wolf Rims colour coded with New tyres
Upgraded Sand Full Hood and frame set
9 seats with front Cubby box
Galvanised front bumper
Many other replacement parts, but keeping the vehicle Classic.

At this stage the finishing items can be carried out to your taste and ideas. Please feel free to call and discuss options.
