Grey Cloth Upholstery interior, This 2017 Volkswagen Amarok Highline pickup boasts exceptionally low mileage for its age, having covered just 73,000 miles. This robust 3.0 TDI V6 BlueMotion Tech model features a powerful 224 ps diesel engine and a smooth automatic transmission, delivering impressive performance. Its Four Wheel Drive system ensures excellent traction in all conditions, while the Euro 6 emission class meets modern environmental standards. For added comfort and convenience, this Amarok is equipped with Bi-Xenon headlights featuring LED daytime running lights, a Winter Pack including heated seats for both driver and passenger, and Climatronic air conditioning. You'll also appreciate the integrated Bluetooth mobile phone preparation for seamless connectivity on the go.

The Amarok Highline is designed for both work and leisure, offering a substantial towing weight of 3100 kg and a notable payload capacity of 1112 kg, making it a highly capable vehicle for demanding tasks. The engine produces a strong 221 bhp, providing ample power for hauling and general driving. These highlights demonstrate the superior capability and comfort this particular Amarok offers compared to other vehicles in its class.
