Mileage: **89500 miles**

Body: **4 door Panel Van**

Ebony Cloth Interior interior, This 2015 Volkswagen Transporter offers a practical solution for those seeking a reliable work vehicle with low mileage for its age, having covered 89,500 miles. This specific model is the 2.0 TDI T30 Highline L1 H1 4dr, which comes equipped with a 2.0 litre diesel engine. As a Highline trim, it provides a well-specified interior and exterior package that balances comfort with the robust functionality expected from the Volkswagen Transporter range.

The standout feature of this vehicle is its impressive payload capacity of 1090 kg, which makes it a highly capable choice for transporting heavy loads efficiently. By combining this substantial carrying ability with the proven reliability of the Volkswagen diesel engine, this van is well suited for demanding daily tasks. Its configuration ensures that it remains a practical and dependable option for business or personal use, standing out as a solid investment for anyone needing a vehicle that prioritises load-carrying performance.
