Grey Cloth Upholstery interior, This 2018 Volkswagen Caddy Maxi 2.0 TDi C20 Maxi is a practical and reliable choice for those seeking a versatile vehicle. As a 5-door window model, it offers a balance of utility and accessibility. This particular vehicle has been well maintained, having covered only 66,000 miles since it was new. Furthermore, it has had only one owner from its initial registration, which provides confidence in its history and provenance.

The vehicle is powered by a 2.0-litre diesel engine that meets Euro 6 emission standards, making it a sensible option for modern driving requirements. It is designed with efficiency in mind, offering a fuel economy of 58 mpg, which helps to keep running costs manageable. Additionally, the engine is noted for its low CO2 emissions, ensuring it remains a responsible choice for daily use. These combined attributes make this Caddy Maxi a highly efficient and economical vehicle compared to many others in its class.
