Body: **5 door Panel Van**

Grey Cloth Upholstery interior, The 2021 Peugeot Partner 1.5 BlueHDi 1000 Professional Standard Panel Van is a practical and well-equipped vehicle designed for daily business use. This short wheelbase model features a 1.5-litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside the cabin, the Professional trim includes the Peugeot i-Cockpit, which combines a compact steering wheel with a head-up display for a clear view of the road. Drivers also benefit from an 8-inch capacitive colour touchscreen that supports DAB radio, Bluetooth handsfree connectivity, and USB input. Comfort and convenience are further enhanced by air conditioning, rear parking sensors, and height-adjustable halogen headlights that feature automatic illumination and daytime running lights.

This van is built to support demanding work schedules while keeping running costs manageable. It offers a competitive payload capacity of 1009 kg and a cargo volume of 3900 litres, providing ample space for tools and materials. Efficiency is a key strength, as the vehicle achieves 56 mpg, which helps reduce fuel expenditure over time. Furthermore, the van is designed with low CO2 emissions and falls into a low insurance group, making it a cost-effective choice for businesses looking to balance performance with long-term affordability.
