Transmission:	**Automatic**	Colour:	**Metallic Black**
Mileage:	**75684 miles**	Body:	**4 door Pickup**

Ebony Leather Interior interior, The 2021 Nissan Navara 2.3 dCi N-Guard is a capable four-door pickup truck designed to handle both daily driving and demanding tasks. This N-Guard trim level features a 2.3-litre diesel engine paired with an automatic transmission and a four-wheel drive system, ensuring it is well-equipped for various road conditions. As a Euro 6 compliant vehicle, it meets modern emission standards, making it a practical choice for those who need a reliable workhorse that remains suitable for urban environments.

This model offers a range of practical features that enhance comfort and convenience for the driver and passengers. The interior includes dual-zone automatic air conditioning with a pollen filter and heated front seats, which help maintain a comfortable cabin environment regardless of the weather. Manoeuvring is made easier with the inclusion of a rear-view camera and four rear parking sensors, while dusk-sensing headlights automatically activate when visibility drops. With a towing capacity of 3500 kg and a fuel economy of 38 mpg, this vehicle balances heavy-duty capability with efficient performance, setting it apart as a versatile option in the pickup market.
